Managing Director, Environmental and Engineering Services and City Engineer

I hereby certify that the Municipal Council, at its meeting held on February 11, 2020 resolved:

That the following actions be taken with respect to electrification of buses:

- a) the London Transit Commission BE THANKED for initiating a study of electrifying its fleet of buses;
- b) the Civic Administration BE DIRECTED to work with the London Transit Commission (LTC), the provincial government and the federal government to identify funding streams to be used for the purchase of electric buses and related charging infrastructure, starting as soon as possible; it being noted that this funding not come at the expense of the LTC's current five-year service plan, and that these funds not come at the expense of prospective transit improvements in the West and North;
- c) the Civic Administration BE DIRECTED to work with the London Transit Commission, London Hydro and other key partners in support of the transit electrification study; and
- d) the Civic Administration BE DIRECTED to find an appropriate one-time source of financing, such as the Economy, Efficiency and Effectiveness Reserve Fund, to cover 100% of the cost of LTC's electrification study. (4.2/5/SPPC) (2020-T03)
