K. Scherr
Managing Director, Environmental and Engineering Services and City Engineer

I hereby certify that the Municipal Council, at its meeting held on November 26, 2019 resolved:

That the Civic Administration BE REQUESTED to review and report back with recommendations for providing higher order transit service and/or transit improvement projects to West London, including but not limited to potential modifications of the West Connection project that address:

- a) options for higher order transit serving West London, including the extension of service further west;
- b) local service integration opportunities;
- c) additional road design alternatives along the corridor, including a review of lane configurations and options for phased delivery;
- d) the possibility of a quick-start program that includes prioritized intersections with mixed traffic routes,
- e) opportunities for park and ride;
- f) the possible need for electric bus infrastructure; and
- g) the Civic Administration BE DIRECTED to consult with the London Transit Commission on the matters identified in part a), above;

it being noted that the Strategic Priorities and Policy Committee received a communication, dated November 22, 2019, from B. Brock with respect to this matter. (4.6/22/SPPC) (AS AMENDED)
