**London Transit Commission
Pets on Transit Policy**

Small domestic pets can be transported on London's public transit services only if they are in a fully enclosed pet-purpose cage/carrier that can either be held on the lap of the rider or fit under the seat/at their feet where they sit/stand.

Definition: Small domestic pet – generally defined as a mammal or bird (i.e. cats, dogs, rabbits) that can be transported in a pet-purpose carrier. Excludes all exotic pets (i.e. snakes, lizards)
